Federal funding has paid for the development of NOVELny—but much more is needed. With additional funds, NOVELny can provide children’s encyclopedias, more materials for high schoolers and learners of all ages, and valuable information that makes us all wiser consumers and more knowledgeable citizens. Let your elected state representative know that you believe NOVELny is an important educational tool that deserves increased state support.

Provided by the New York State Library, NOVELny connects New Yorkers to 21st century information. NOVELny is supported with temporary federal Library Services and Technology Act funds from the Institute of Museum and Library Services (IMLS). The New York Library Initiative (www.nysl.nysed.gov/fundingproposals/) proposes permanent state funding for NOVELny.
